	Wednesday May 29- Seal
	Friday May 31- Seal

VINTAGE HOA
Notice
Weather Permitting

AMS Paving will be resealing the streets within the Community on **WEDNESDAY MAY 29TH & FRIDAY MAY 31ST**. The streets will be closed to vehicle traffic from 7:00 A.M. that morning until 7:00 AM the following morning (24 hours). Please have your vehicle moved by 7:00 A.M. that morning to an area that is *not* going to be resurfaced. If your vehicle is not moved outside the closed area by 7:00 A.M., it will be towed at the owner's expense. If you are not going to use your vehicle during that 24 hour period then you can park your vehicle in your driveway/ garage, but keep in mind that it can't be moved for that full 24-hour period.

If you decide to drive your vehicle on the streets within the complex during that 24-hour period of closure, you will damage the new surface and possibly your vehicle. If this occurs you will be liable for the cost of repair to the streets and your vehicle.

Please refer to the map for the date that your area will be closed.

You need to turn off your sprinklers by 7:00 A.M. the day prior to the date that your street is being resurfaced and keep them off until 7:00 A.M. the day after (48 hours). The streets have to be dry for this application. We need your full cooperation. If your sprinkler water runs onto the association streets and the job is delayed while they dry then the Association will hold you responsible for the additional charges.

Foot traffic will be allowed approximately 3 to 4 hours after it is completed. The material will be applied wet and will appear a shiny black and when dry it will turn flat black. Please do not walk on the surface when it is wet because it is slippery.

Also, do not rinse or wash down anything with any type of liquid across the asphalt surface during the 24-hour period.

This project will help beautify and enhance our community as well as preserve the driveways. Your cooperation in this matter is greatly appreciated so we can accomplish this project with the least amount of inconvenience.

Thank you again for your cooperation.
